**Lubricants | Coolants | Greases | Brake Oils**

Rites & Jones was formed in the year 2007 and started selling "EUROILS" Lubricants in the Indian After Market. The mission of the company was to provide best quality lubes for Automotive and Industrial use. The brand became popular in some parts of the country soon and the consumers admired our product range. In the year 2013 the company became a Private Limited company – Rites & Jones Petrochemicals Pvt. Ltd. With the rising demand in the market, company started its own manufacturing setup at Bhiwadi, Rajasthan. Our new plant is equipped with state of art equipment to produce quality lubricants, greases, coolants and brake oils. The plant has a capacity to produce 3000 MT per month. We have a world class lab with best available equipments like Grease Penetrometer (Kohler), Grease Working Machine (Double Station), Kinematic Viscosity baths at 40 & 100 Degrees & all other equipments to ensure quality. Our Directors have a vision to become a leading Lubricants company of India in the next five years. Our R&D team is continuously working to improve the blends. Our Long Life Grease (Euro 36000) and Gel Grease(Euro Gel) are widely appreciated by automotive experts and consumers. For 2 Wheeler segments, we have introduced our premium product – "Euro Bike" (4T 20W40 SM). Euro Bike ensures best protection for all 4 stroke motor cycles for engine, gear and clutch operations under extreme conditions. Euro Bike gives a service life upto 10000 Kms under normal conditions and hence is a Value for Money Product for Indian Rural and Urban consumers.

### Euro Orange

We have just introduced our new "Orange Packing", which is focussed to improve the Brand image of the company and ensure best in class packaging. The company is also working on quality logistics so as the product reach "FRESH" to the consumers.

### EuroXpress

We have plans to enter in the retail segment soon with the launch of franchisee network called "EuroXpress". We have a plan to start at least 1000 Retail Counters across the country within next 2 years. EuroXpress would be a one stop shop for quick, easy and convenient auto care, providing customers with a refreshing experience. The EuroXpress stations will necessarily have facilities for quick Oil change, Tyre, Battery check up, AC Service, Vacuum Cleaning, Perfuming, Upholstery cleaning, Polishing and Lamination etc.

### Euro Channel

EUROILS products are available through a wide network of C&F Agents, Distributors, Stockists, Retail Points & thousands of Auto Spare Parts outlets across country. EUROILS Range includes over 100 types of lubricants and 300 formulations encompassing literally every lubricant requirement.
